Welcome of heads of various parts of the Chapter

Stan Osborn – Membership Directory

Stan would like to improve the method for members (especially new members) to update the information regarding various organs in the back of the annual membership directory. It was moved to update the Columbus Chapter page on the National Website so that when members renew their membership, they can update information on the instrument they play. The motion was approved. Stan will be in touch with the National board about this.

Luke Tegtmeier – Communications

It was moved to share the Columbus Chapter AGO members' email addresses with the Sacred Music Institute of America. The motion was approved.

Chad Baker – Positions Available

It was decided that we should start printing basic information in our monthly newsletter regarding organist positions available. Currently they are only available online, and few people know when a new position is posted.

Anthony Fabro – Website

It was moved that ads on our website should be posted for 3 months, then removed. The motion carried.

Treasurer's Report

It was moved to pay the National portion of Anthony Fabro's AGO dues in appreciation for his work with the chapter website (and to forego the local portion of the dues). The motion was approved.

Al walked through his report. The 2018-2019 season started with \$33,745.58; it ended with \$23,196.96; this change reflected the planned-for expenditures for our 100th Anniversary celebration. It was moved to accept the report. The motion carried. The 2019-2020 budget was also approved.

Planning for 2019-2020
